Wood Siding Products

EASTERN WHITE CEDAR SHINGLES
WESTERN RED CEDAR SHINGLES
F-SIDING® WOOD SIDING PRODUCTS

Cabot factory staining of cedar
and fiber cement shingles

Builders & Architects

know that product quality and ease of installation are important factors at the job site. That's why an ever increasing number of these professionals are specifying and using Fraser Cedar's F-Siding® and Cedar Shingle products.

Fraser Cedar uses only the best quality, factory finish tints from Cabot's line of traditional, earthtone and trim palettes.

Fraser Cedar ... continuously evolving
in order to meet the demands of the
forest products marketplace.
